

Journey Journals

Instructions:

Create your very own journey journal to assist you on your road trip travels! Add stickers, and color pictures of your choice!

Additional Options:

Option 1: Turn your Journey Journal into a passport! Print out a picture at the photo station and add it to your journal.

Option 2: Make your Journey Journal a travel budget! Divide the journal pages into three sections: save, spend, and share. Be sure to keep track of your money during your road trip!
