

Everence Sharing Fund

Grant usage guidelines

The Everence® Sharing Fund provides shared/matching grants to help people in need as part of the Everence mission to help our members integrate their finances with their faith. Money to fund our grants is generated by the sale of Everence products and services.

Using Sharing Fund grants

The purpose of the Everence Sharing Fund is to help people who are struggling financially and who are often in crisis or facing an emergency. Therefore, Everence retains the responsibility, and the right, to question the appropriateness of a congregation's intended use.

Acceptable uses for Sharing Fund grants

Grants may be used to help members or community people in serious financial need because of:

- Insurance premiums (however, grants are not intended to fund health care plans for those who can afford them, nor does this grant include pastor premiums).
- Home payments or utilities.
- Food.
- Debts or taxes.
- Employment assistance.
- Vehicle needs.
- Home repairs or handicapped accessibility needs, including appliances.
- Expenses due to natural disasters.
- Medical (physical or emotional) or related expenses not covered by insurance.
- Funeral expenses.
- Medical or emergency travel expenses.
- Lost wages due to illness or death.
- Comprehensive financial planning (for people in financial trouble, grants can help with the cost of developing a plan).

Other appropriate uses for grants include providing assistance to local organizations or church projects that help people with basic financial needs such as:

- Disaster relief.
- Housing projects.
- Homeless or hospitality assistance.
- Food pantries.
- Services for people with a disability (developmental, cognitive, physical, etc.) or mental illness.
- Job rehabilitation.

- Immigration services.
- Low-income day care or preschool.

Ineligible uses for Sharing Fund grants

These lists of "acceptable" and "ineligible" projects should not be considered complete. If in doubt, contact Everence for clarification at 800-348-7468 ext. 3388.

The Sharing Fund budget

The Everence Sharing Fund has a total budget amount that is renewed each year from which grants are distributed.

Funds are available each year until the total Sharing Fund budget has been depleted or until the Dec. 10 deadline. Once that happens, Sharing Fund grants will be unavailable, regardless of the amount of funding you're eligible for, until the new year.

To apply for grants

Please submit Sharing Fund grant applications within 90 days of when the congregation gives assistance. **Sharing Fund grant applications must be received or postmarked by Dec. 10 of a given year. Late applications will not be accepted.**

However, if you provide a member with eligible assistance between Dec. 11 and Dec. 31 of a given year, you may apply for a grant to help meet those expenses. The application must be submitted before Feb. 28 of the following year. Grants made from these circumstances will count against that following year's eligibility.
