Resource tracker

Congregation: _____

Year: _____

Every quarter, you receive an email newsletter called “Stewardship and You.” This newsletter includes resources for both your congregation’s attenders and leaders.

How is this sheet helpful? Advocates are encouraged to fill out and submit a quarterly report by the end of each quarter. The report is your opportunity to share your church’s experience with the stewardship resources Everence provides. This sheet can help you keep track of and/or plan how your congregation uses Everence resources, better equipping you for submitting your quarterly report.
